RE: ***In the Matter of Schools and Libraries Universal Service Support Mechanism, CC
Docket No. 02-6***

Dear Ms. Dortch:

In the Fifth Report and Order¹ the Federal Communications Commission (FCC or Commission) directed the Universal Service Administrative Company (USAC) "to submit to the Commission [. . .] a list summarizing all current USAC administrative procedures identifying, where appropriate, the specific rules or statutory requirements that such procedures further, and those procedures that serve to protect against waste, fraud and abuse."²

USAC submitted this list to the Commission in October 2004. Based on discussions with Commission staff, USAC is now supplementing this list with the attached filing containing a revision to an additional procedure submitted last week.

We would be pleased to answer any questions you may have about this information.

Sincerely,

A handwritten signature in dark ink, appearing to read "D. Scott Barash", with a long horizontal line extending to the right.
